Description	The Rest Sofa combines deep comfort with modern lines and an inherently soft seat. Referencing the ideas of Scandinavian design, the Rest Sofa features subtle details through its small folds, paired with its inviting shape.
Material	Steel base, wooden frame, oak wood legs, cold foam/feather filling. Legs in natural oak or optional in black or grey color-stained oak. Standard fabrics from Kvadrat, Rossini della Quercia and Nevotex. EU/US version: Standard and high resilience polyurethane foam. UK version: Standard fire retardant polyurethan and combustion modified high resilience foam.
Cleaning & Care	The Rest Sofa has removable upholstery on its seat cushions and back cushions, which can be taken off and dry cleaned. Remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water. Finally, dab the surface with clean water. Finish by soaking up the moist from the upholstery using a clean dishtowel and make sure it won't dye off and finish using a hairdryer. See kvadrat.dk for further cleaning and maintenance instructions for your chosen textile. As the Rest Sofa is feather padded, it is important to regularly massage and beat the upholstery into place, like done to a normal feather cushion. Regularly massaging and beating the upholstery, will keep the Sofa's shape and comfort.
Spareparts	Black or grey legs can be purchased separately.
Additional information	A Power Outlet including USB and USB-C charger can be added to the Rest Sofa Series. The Power Outlet is available in an EU, US and UK version. Please note that Muuto does not offer installation of the Power Outlet into any Muuto products.
