

Unfold Pendant Lamp

“The industry lamp is a classic, and sought after design that we are excited to provide a new perspective on. The soft silicone rubber gives Unfold a modern and warm personality. It also enables the lamp to be folded into a neat package by a slight push on the top. Just open and unfold your new lamp.”

— Form Us With Love

Designed by	Form Us With Love / 2010
About the designer	Form Us With Love is a Stockholm-based multidisciplinary design and interior architecture studio. Their work has won several prestigious awards such as the Red Dot and Young Swedish Design Awards. Further accrediting the trio are successful exhibitions at venues like MoMA and the Swedish National Gallery.
