**DESCRIPTION**

The GUBI 1.0 Dining Table, designed by GUBI, is driven by the theme of lightness. The slender central column base makes a beautiful impact on its light expression and visual simplicity. With its rounded or squared table top in various sizes and finishes, the GUBI 1.0 Dining Table is a smaller dining table that encourages interactions and facilitating conversations and becomes ideal for the smaller kitchen as well as for contract spaces.

### Materials & Finishes

**TABLE BASE** Black semi matt, Shiny Brass
