

Bala Rug

Raven

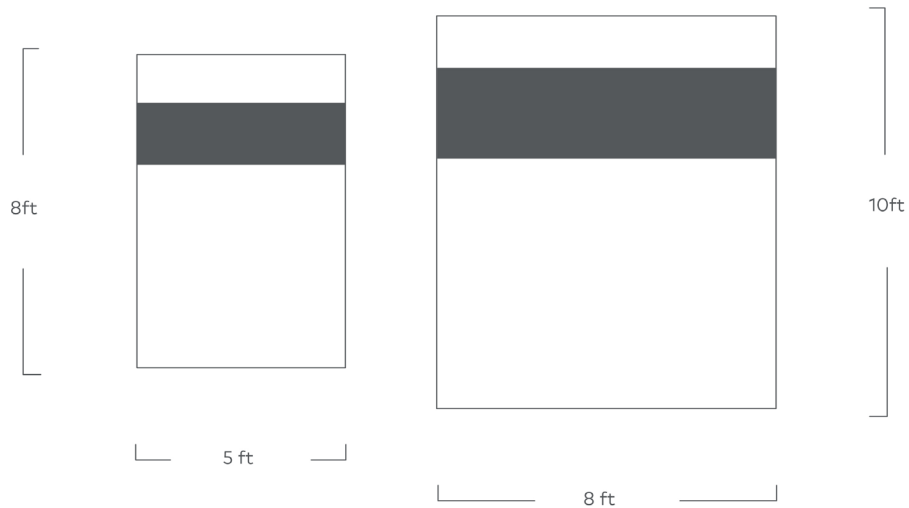

Showcasing a harmony of chunky texture and simple, abstract composition, the Bala series brings a sense of Scandinavian-inspired comfort into your space. Made from 100% New Zealand wool, each rug is hand-woven and features oversized knots to create a textural surface that is warm, inviting and cozy underfoot. A single stripe of subdued colour draws your eye across the rug, nubby surface. Available in two colourways and two sizes, this rug is perfect for bedrooms, nurseries and living rooms.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply).
