A modern update to the classic Gus* Modern Jane Series, the Jane 2 Lounge retains the iconic, mid-century look while adding contemporary enhancements. Perfect for a living room, bedroom or entryway, this small-scaled lounge functions as standalone seating, or it can be combined with the Jane 2 Sofa to create the Jane 2 Loft Bi-Sectional. Piped upholstery edges and button-tufted cushions create photogenic surface details that are enhanced by Jane 2's new, more refined proportions. A new wood base (available in light or dark wood finish) is inset on each piece, creating a sense of weightlessness that maximizes light and space. The frame is constructed with kiln-dried FSC®-Certified hardwood in support of responsible forest management.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply).

Jane 2 Lounge

- Add the Jane 2 to the Jane 2 Sofa to create the Jane 2 LOFT Bi-Sectional.
- Seat and back cushions are button tufted and have piped edge detailing.
- Reversible seat and back cushions are crafted with high resilience polyurethane foam covered in a Dacron wrap.
- Inset solid Ash wood base with walnut or natural finish features non-marking feet.
- Inner frame is kiln-dried FSC®-Certified hardwood, (FSC® 092551).
- All joints have been stress tested.
- 9-gauge No-Sag, sinuous spring suspension system.
- Manufactured to meet California TB117-2013 fire safety standards without the use of flame retardant additives in the upholstery foam.
- All fabric is California TB117-2013 certified and double rub tested.
