

Attach Coat Hook Set of 2

“The Attach Coat Hook arose from an interest in the meeting of two elementary shapes: a cylinder and a rectangular box. From there, the design was created by combining a simple wood cylinder with an anodized aluminum form, joining together industrial and natural materiality. With its contrasting elements, the Attach Coat Hook brings a refined yet sturdy perspective to the modern coat hook.”

— Dimitri Bähler

Designed by	Dimitri Bähler / 2019
About the designer	Dimitri Bähler is an independent designer, based in Biel, Switzerland. After finishing his studies at ECAL Lausanne and the Design Academy Eindhoven, Bähler founded his eponymous studio in 2014. Working from industrial design to unique pieces through installations, the elements of context, manufacturing processes and functionality are key influences in his work.
Environment	Indoor
Country of Production	China
Preassembled	Yes - Mount to wall.
Description	The Attach Coat Hook combines industrial and Scandinavian materialities for a playful yet refined take on the simple, modern coat hook, joined by its contrasting round and square forms. Use the design in linear formations for a simple, refined expression or in more vibrant layouts with various colors of the design.
Material	The Attach Coat Hook is made from oak and aluminum, colored with PVD vacuum-treated surface.
Cleaning & Care	Clean with a moist cloth. If necessary, use a mild detergent. Wipe the surface dry with a lint-free cloth.
Spareparts	Side screw, wall screw and metal anchor for wall screw.
