

# Connect Soft Modular Sofa Cushion

“The Connect Soft Modular Sofa is a seating system, rooted in the idea of uncovering the perfect proportional connections between the different components within a sofa. Designed with a deep, low seat, loose upholstery and an inherently soft filling, the Connect Soft Modular Sofa is at once elegant and contemporary—a sentiment that is echoed through its small feet underneath for a hovering expression while its box stitching infuse it with a modern touch.”

— Anderssen & Voll

| <b>Description</b>           | The Connect Soft Modular Sofa brings together elegant and geometric proportions with a deeply inviting comfort. With its minutely-shaped forms, characterful corners and inherently soft seat, the Connect Soft Modular Sofa acts as the heart of any space while its modularity allows for its user to tailor the design to their exact taste and space.                                                                                                     |
| <b>Material</b>              | Upholstered in textile from Kvadrat or Rohleder.                                                                                                                                                                                                                                                                                                                                                                                                              |
| <b>Cleaning &amp; Care</b>   | Remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water. Finally, dab the surface with clean water. See kvadrat.dk or nevetex.com for further cleaning and maintenance instructions for your chosen textile. See kvadrat.dk, nevetex.com, Rossini Della Quercia or knoll.com for further cleaning and maintenance instructions for your chosen textile. |
