

# Cover Bar Stool

## 75 cm / 29.5"

“The Cover Bar & Counter Stool sprung from a desire to bring a modern perspective to the traditional wooden bar seat. I wanted for it to have a crisp and contemporary expression through its light plywood material, paired with the solid and grounded sentiment of its frame and base in solid wood. With its tall and curved backrest that folds gently around the frame alongside the warmth of its wooden materiality, the Cover Bar & Counter Stool has the comfort required for people to be seated for hours on end while translating the ideas of Scandinavian craftsmanship into a modern design language.”

<b>Description</b>	<p>With its curved backrest that folds elegantly around its back legs and ties the design together, the Cover Bar Stool challenges the possibilities of veneer through a forward-thinking approach, echoing the ideas of Scandinavian design. The design is lightweight and features a tall, enveloping back for extensive comfort that allows one to be seated in its seat for hours on end, be it for a dinner, a drink or even working at a counter desk.</p> <p>The Cover Series without upholstery is EU Ecolabel Certified. By carrying the EU Ecolabel Certification, the product is guaranteed to have a reduced environmental impact throughout the total lifecycle of the product from raw material to disposal.</p>
<b>Material</b>	<p>The Cover Chair Series is made from form pressed wood. The wood is folded over the chair's legs and backrest. This technically innovative wood layering helps lock the elements of the chair together. Upholstered seats are with textiles from Kvadrat or Refine Leather. Cover Bar &amp; Counter Stool: Back and seat in oak veneer, solid oak frame and legs. Made using FSC™-certified (FSC-C028824) wood. Water based lacquer. Footrest protector for bar and counter stool in tumbled stainless steel.</p> <p>Oak veneer and Stained Dark Brown: slight color variations can occur due to the inherent characteristics of the material.</p>

## Cleaning & Care

Clean with moist first and wipe off excess liquid with a dry cloth. For textile versions, please find cleaning instructions for your chosen textile at [kvadrat.dk](http://kvadrat.dk). For leather versions clean leather with a dry cloth regularly. Treat the leather when needed using only special leather treatment products. For wood versions clean the chair with a damp cloth. If necessary, only use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquid, grease etc. should be removed straight away.
