

Cover Armchair

“Cover is born from a desire to create a comfortable and contemporary armchair in wood. I aimed for a crisp and vivid expression in the plywood while looking for a solid and grounded look in the frame and base of the chair. Three years of play and hard work in the making has resulted in a light, yet strong armchair, playing and taking the molded veneer to its extreme.”

Echoing the seamless appearance of the chair, it features no visible screws for a simple touch. Use the Cover Armchair in the living room, hallway or bedroom of the home as well as in restaurants, canteens, educational institutions, workplaces and more.</p> <p>The Cover Series without upholstery is EU Ecolabel Certified. Material	<p>The Cover Chair Series is made from form pressed wood. The wood is folded over the chair’s legs and backrest. This technically innovative wood layering helps lock the elements of the chair together. Upholstered seats are with textiles from Kvadrat or Refine Leather. Cover Armchair: Oak and Stained Dark Brown versions: Back, seat and armrest in oak veneer, solid oak frame and legs. Water based lacquer. Colored versions: Back, seat and armrest in ash veneer, frame and legs are made from solid beech wood. With water-based lacquer.</p> <p>Oak veneer and Stained Dark Brown: slight color variations can occur due to the inherent characteristics of the material.</p>
Cleaning & Care	Clean with moist first and wipe off excess liquid with a dry cloth. For textile versions, please find cleaning instructions for your chosen textile at kvadrat.dk. For leather versions clean leather with a dry cloth regularly. Treat the leather when needed using only special leather treatment products. For wood versions clean the chair with a damp cloth. If necessary, only use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquid, grease etc. should be removed straight away.
