

Cover Side Chair

“The Cover Side Chair is born from a desire to bring modern perspectives to the archetypal wooden chair. I wanted to give the design a crisp and contemporary expression through its thin plywood material, paired with the solid and grounded sentiment of its frame and base in solid wood. With the details of its curved backrest that folds gently around the back legs and its warm materiality, the stackable Cover Side Chair translates the ideas of Scandinavian craftsmanship into a modern design language.”

Description	<p>Referencing the values of forward-thinking craftsmanship and Scandinavian materiality, the Cover Side Chair is an elegant perspective on the timeless wooden chair. With its curved backrest that folds elegantly around its back legs and ties the design together, the Cover Side Chair explores the possibilities of veneer, paired with a deep comfort, modern expression and sturdy base in solid wood. The design is stackable and features a water-based lacquer.</p> <p>The Cover Series without upholstery is EU Ecolabel Certified. By carrying the EU Ecolabel Certification, the product is guaranteed to have a reduced environmental impact throughout the total lifecycle of the product from raw material to disposal.</p>
Material	<p>The Cover Chair Series is made from form pressed wood. The wood is folded over the chair's legs and backrest. This technically innovative wood layering helps lock the elements of the chair together. Upholstered seats are with textiles from Kvadrat or Refine Leather. Cover Side Chair: Back and seat in oak veneer, solid oak frame and legs. Water based lacquer. Stacking Pad in felt made from 60% post-consumer recycled content. Stackable up to 4 pcs on floor and 10 on trolley (with and without upholstery).</p> <p>Oak veneer and Stained Dark Brown: slight color variations can occur due to the inherent characteristics of the material.</p>
Cleaning & Care	Clean with moist first and wipe off excess liquid with a dry cloth. For textile versions, please find cleaning instructions for your chosen textile at kvadrat.dk. For leather versions clean leather with a dry cloth regularly. Treat the leather when needed using only special leather treatment products. For wood versions clean the chair with a damp cloth. If necessary, only use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquid, grease etc. should be removed straight away.
