

Five Pouf

“The Five Pouf explored the possibility and tension of the pentagon shape. The design process was very much about tailoring; the quilted ribs are seemingly wrapped around the shape and enhance the dynamics of the pentagon. The quilting adds a softness to the seat, and the textiles we have chosen are very responsive to the undulating surface of the cover.”

Description	The Five Pouf is a versatile, easy-to-use design that is both comfortable and contemporary. With a pentagon shape and linear detailing contrasted against curved edges, the Five Pouf is a unique item that can be used as extra seating or to decorate an unused corner of any room.
Material	Wooden frame, wooden feet, moulded foam and upholstered with textile from Kvadrat. A wooden base is coated with moulded foam, which ensures that the pouf keeps its shape. The pouf is then topvatted to add shape to the quilt.
Cleaning & Care	Remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water. Finally, dab the surface with clean water. Finish by soaking up the moist from the upholstery using a clean dishtowel and make sure it won't dye off and finish using a hairdryer. See kvadrat.dk for further cleaning and maintenance instructions for your chosen textile.
