

Fluid Pendant Lamp

“We wanted to give the lamp a form with a certain softness, towards a more natural language and further removed from pure geometry. Fascinated by the way that surface tension governs the curvature of a resting water droplet, we have tried to capture it’s essence. The subtle irregularity of Fluid means that their silhouette gently changes depending upon the viewing angle. It also brings a greater light intensity to the lamps’ underside - just where you need it.”

— Claesson Koivisto Rune

Designed by	Claesson Koivisto Rune / 2011
Environment	Indoor
Country of Production	China
Preassembled	Yes.
Description	Inspired by a resting drop of water, the Fluid Pendant Lamp shows how soft light can diffuse across a space for a cosy atmosphere. The frosted matte surface creates a glowing ambience that fits into any home or casual business setting. Present the design individually or in a group for an intimate atmosphere.
Material	The lampshade is made from mouth blown, white silk mat opal glass. The edge on top of the lamp is grinded and polished. The lid is made in Nylon66 with fibre glass.
Cleaning & Care	Clean with soft dry cloth only. Always switch off electricity supply before cleaning.
Cord length	350 cm / 137.8"
Light source included	Small: Yes Large: No
Ceiling Cap included	Large, Small: Yes
Dimmable function	Yes.
