

Grain Pendant Lamp

“The Grain Pendant Lamp is a versatile light with a warm and welcoming appearance, complimented by a soft form that generously spreads the light underneath. The design is made from a unique mix of bamboo grain and plastic, adding a new perspective to the archetypical pendant lamp through its visual expression and matte touch.”

— Jens Fager

Designed by	Jens Fager / 2015
About the designer	Jens Fager is one of Sweden’s most well-established designers. A graduate from Konstfack University in Stockholm, he has made an international impact with exhibitions in London, Milan, and Stockholm.
Environment	Indoor
Country of Production	China
Preassembled	Yes.
Description	The traditional pendant silhouette receives a poetic reinterpretation with the Grain Lamp. Simple and elegant, the lamp has small grains of fiber in its surface, creating a subtle texture and change in the diffusion of light. The pendant includes an LED lightbulb that lasts for up to 10,000 hours and provides a warm, natural glow.
Material	Lamp Shade is made in mixture of bamboo fibers and polypropolene. PVC cord. The lamp’s shade is made under high pressure casting. Shade and electrical componenets are hereafter assembled by hand.
Cleaning & Care	Clean with soft dry cloth only. Always switch off electricity supply before cleaning.
Light source included	Yes.
Ceiling Cap included	Yes.
Dimmable function	Yes.
