

Pebble Rug

“Pebble Rug is inspired by the sensuous feeling of a pebbled beach with its diverse and tactile surface, inviting you to take off your shoes and walk across it barefooted. With a handwoven structure that references fashion textiles, the Pebble Rug plays with the contrasting materials of its soft, woolen loops, sitting atop a sturdy canvas base in cooling jute yarn. Pebble Rug brings a new perspective to any space through its woolen loops, popping up from the ground like sprouts in a bed of moss, joined by the distinct woven texture of its surface.”

| Cleaning & Care | For general care of the rug, we recommend gentle vacuum cleaning on a regular basis. Please use the vacuum cleaner without brush head to avoid tearing of the pebbles. For cleaning of stains or spots, we recommend professional dry cleaning. Avoid cleaning with water, as this will damage the product. |
| Spareparts | Rug pads to place under the Ply Rugs are purchased separately. This prevents the rugs from gliding and protects the rug. |
