<b>Description</b>	The Rest Pouf is designed with simple lines and a deeply soft seat, bringing comfort and ideas of Scandinavian design to any lounging setting.
<b>Material</b>	Steel base, wooden frame, oak wood legs, cold foam/feather filling. Legs in natural oak or optional in black or grey color-stained oak. Standard fabrics from Kvadrat, Rossini della Quercia and Nevotex.  EU/US version: Standard and high resilience polyurethane foam. UK version: Standard fire retardant polyurethane and combustion modified high resilience foam.
<b>Cleaning &amp; Care</b>	Remove non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water. Finally, dab the surface with clean water. Finish by soaking up the moist from the upholstery using a clean dishtowel and make sure it won't dye off and finish using a hairdryer. See kvadrat.dk for further cleaning and maintenance instructions for your chosen textile. As the Rest Pouf is feather padded, it is important to regularly massage and beat the upholstery into place, like done to a normal feather cushion. Regularly massaging and beating the upholstery, will keep the pouf's shape and comfort.
<b>Spareparts</b>	Black or grey legs can be purchased separately.
<b>Additional information</b>	A Power Outlet including USB and USB-C charger can be added to the Rest Sofa Series. The Power Outlet is available in an EU, US and UK version. Please note that Muuto does not offer installation of the Power Outlet into any Muuto products.
