

Tip Table Lamp

“Tip is a simplistic and friendly lamp featuring a characteristic architectural silhouette. During the design process, we focused on polishing every single detail, and the lamp’s functionality. I wanted to reduce the lamp’s design to the very essence of its purpose - intending to create a product that anyone would understand and be able to use in their daily lives. The molded aluminum material gives Tip a clean and precise look, highlighting its appearance of quality.”

— Jens Fager

Designed by	Jens Fager / 2017
About the designer	Jens Fager is one of Sweden’s most well-established designers. A graduate from Konstfack University in Stockholm, he has made an international impact with exhibitions in London, Milan, and Stockholm.
Environment	Indoor
Country of Production	China
Preassembled	Yes.
Description	Created from the idea of stripping a design down to its essentials, the Tip Table Lamp is an example of simple, functional design with careful attention to detail. Offering direct as well as ambient light, the lamp's adjustable head and arm feature an opal diffuser and dimmer function that effortlessly alters the volume of light.
Material	Made in casted and extruded aluminum.
Cleaning & Care	Clean with soft dry cloth only. Always switch off electricity supply before cleaning.
Light source included	Yes.
Dimmable function	Yes
