## A chair where details abound

Just is a simple and understated stackable shell chair with lots of personality and character that is as beautiful when seen from below as from above. The frame is discretely tucked into the chair's molded shell, and the shell's tapering thickness gives it a friendly and welcoming expression. When designing Just, the designer duo Iskos-Berlin looked to the essence of a chair. They started out with the shape of a chair as a child would typically draw it, with legs that seem to protrude directly out of the seat. They have transferred this visual effect to the Just Chair, where a steel frame is uniquely countersunk into the underside of the shell, suddenly transforming the chair into a harmonic and naturally unified whole. The chair fits into most furniture schemes and is ideal both around the dinner table and in the kitchen.

## Product Facts

### Description

Just chair oak has inherited the characteristic molded shell of the Just chair. It is joined by molded wooden legs, which grow from the shell in the same resolute curve that can be seen in the arch of the seat. The outward-sloping wooden legs add a charming warmth and emphasis to the design.

### Designer / Year Of Design

Iskos-Berlin / 2014

### Material

Shell: Lacquered oak veneer / Painted and lacquered ash veneer

Upholstery: PU foam with front or full upholstery

Legs: Powder coated steel, chrome

### Construction

Just consists of a shell made of molded ash veneer with PU foam and textile or leather upholstery. The chair has a chrome frame mounted to the seat by slotting seamlessly into the millings underneath the shell. ►

**► Maintenance**

Shell: Clean with damp cloth.

Textile: Clean with textile or upholstery cleaner.

Leather: Clean with damp cloth. Use warm water with soap flakes. Frequent vacuuming with a soft fitting is recommended for both textile and leather to preserve color and appearance.

**Stackability**

The Just chair version with chrome and steel legs and the Just barstool are stackable up to 6 pcs. We do not recommend stacking the front upholstery or full upholstery versions, as the weight of the chairs could leave marks on the upholstery. The chair is delivered assembled.

**Accessories**

Comes with plastic (PE) glides.

Felt glides can be purchased separately.

**Test**

Just chair steel

EN 1022:2005 and EN 16139:2013. Level 1
