

Acoustic Mobile Glass Whiteboard

Foundation Collection

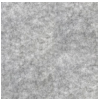

PRODUCT INFO

Description	A two-in-one combination of an acoustic room divider and a mobile writing board. Smooth, locking casters ensure the Acoustic Mobile Glass Whiteboard is nimble but secure once you've got it in place. The white, tempered glass writing board on one side won't ghost after you take your notes down and a fabric side allows for pinning up documents and swatches while absorbing ambient noise in your office!	Construction	Contract quality inside and out. A PET felt core is sandwiched between a tempered glass writing surface and another PET panel that is fabric wrapped. The perimeter is also wrapped in fabric for a soft-touch and resilient edge. Legs are powder coated steel with commercial grade locking casters.
