|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description | The Bulb Task Chair is our most advanced and adaptable workplace seating option. Adjustable features include: seat height and depth, lumbar support and arm height and width and angle. An upholstered, cushioned seat is paired with an omni-flex, breathable mesh back for all-day comfort. | Construction | Contract quality inside and out. BIFMA Certified. A sturdy polypropylene frame, wrapped in high-tech mesh and contract grade upholstery sits on top of a powder-coated or polished aluminum base and gas lift. Polyurethane casters provide quiet, smooth mobility. |
| Finishes | Nightfall upholstery and Matte Black base or Flurry upholstery and Matte White with a Polished Aluminum base. Custom finishes available - contact us! | Care | Vacuum regularly with a soft brush attachment. Immediately blot spills with a clean white cloth, moving toward the center of the spill. Do not rub. Cleaning code: S |
| Assembly | Easy assembly with included instructions and tool | Lead Time | In-stock ships in 2 business days. Custom requests and backorders ship in 12-16 weeks. |
| Dimensions | Overall: H40" W24.5" D23" Seat: H16.5"- 20" W19" D19" | Warranty | 10 years For detailed information, visit rypen.com . |
| Certifications | ANSI/BIFMA X5.1-2017 TB117.2013 INDOOR ADVANTAGE GOLD™ CAL 117 - 2013 TSCA Title VI Compliant California 93120 Compliant for Formaldehyde Phase II All Fabrics: Martindale >120k | | |
| Additional Testing | All Rypen task chairs pass the BIFMA testing noted above before undergoing further, third-party tests for even more rigorous conditions including load testing up to 325lbs. | | |
