

Foundation Open File Cart

Foundation Collection

PRODUCT INFO

Description

The Foundation Open File Cart is a perfect accessory to tidy up your work space while keeping everything easy to see and within reach. The Open File Cart comes with two removable shelves and two vertical bays for the tools of your trade, big or small. Pairs perfectly with any of our desks or benching. Add an extra functionality with the Open File Trays by using them as removable drawers for your documents, drawings or frequently used gadgets.

Construction

Contract quality inside and out with powder-coated steel construction. Removeable shelves. Heavy duty leveler feet.
