

Wadsworth Side Table

Major Domo Collection

PRODUCT INFO

Description

The Wadsworth Side Table presents itself with humble confidence. A minimal, powder coated steel surface and post poke out of a subtly playful terrazzo base. Wadsworth quietly stands out in any space while offering clues of a mischievous alter ego.

Construction

Heirloom quality through and through. Our bases are solid, cast terrazzo containing stone fragments with hues ranging from soft pinks and warm yellows to dusky blues. Each base is hand ground to reveal the confetti-like aggregate inside. Powder-coated steel tops and posts finish off the bomb-proof construction.
